## VIRTUAL AGM IN TIMES OF COVID 19

Due to restrictions relating to Covid 19 pandemic Woza Moya hosted the virtual Board Meeting and also AGM in November. The board of directors, community advisory council and Woza Moya team were only attendees. The theme of the AGM was 20 years of Woza Moya, 2000-2020. 2020 marks 20th anniversary, Woza Moya was founded by Sue Hedden, Jane Nxasana and Bennedicta Memela. Woza Moya started in 2000 by providing home based care in response to HIV/AIDS in Ufafa valley. As we are celebrating 20 years we will not forget the contribution that was made by some local famers friends and AIDS Foundation South Africa [aids.org.za](https://aids.org.za) our first donor, Sue said. Jane added that were are proud that Woza Moya is celebrating 20 years and the lives of Ufafa valley people is no longer the same. Chairperson of the board of directors Dr Bongiwe Ndlovu was thrilled by how Woza Moya responded to Covid 19 in Ufafa valley. She also thanks network of committed partners such as funders, private donors, volunteers, friends of Woza Moya and our community for their ongoing support.

## OUTING TO BEACH ON SOUTH COAST OF KWAZULU-NATAL

Just before festive season arrives, our 48 PowerGirls took a fun outing and exposure to outside world. Most of these girls were the first time they saw sea waves. They thoroughly enjoyed the day, building sand castles and swimming. "They truly appreciated everything and this day enabled our Powergirls to have time of their lives while interacting with their peers" Mama Sinthemba said (PowerGirls Coordinator). They enjoyed pre-made sandwiches for breakfast and delicious take-away lunch that was served at the beach. The feedback that we are receiving from the guardians is humbling about this programme. One of the guardians said we hope that the programme will help our girls to become better women in our society and we are very proud of Woza Moya in helping raising our girls.
