WHAT A YEAR!

WOZA MOYA Friends, Donors, Partners, thank you for your vital support in 2020! Since March when Covid-19 and the subsequent lockdowns began in South Africa, many people in the Ufafa Valley have been struggling to survive. Together with you, we have managed to help thousands of families and children through this very difficult year, by distributing emergency relief food parcels, setting up food gardens, both household and community gardens, establishing two local seedling nurseries, making organic quality seedlings more easily accessible. We greatly appreciate you joining hands with us to create more long term sustainable food security solutions for our community.

Please take time to read our [2020 Woza Moya Annual Report](#) which describes in more detail our work in this unprecedented year gone by.

In December, before closing for our annual break, the entire Woza Moya team came together to reflect on the year. Read more about our the highs and lows of 2020 [here](#), as expressed by all the team at Woza Moya, office staff, community care givers, managers, ECD practitioners, cook, gardener, security, youth interns, crafts team, including our community advisory council.

**THE WOZA MOYA TEAM WISHES YOU ALL A SAFE AND BLESSED HOLIDAY SEASON.
MAY 2021 BE A YEAR OF RENEWED HOPE AND POSITIVE ENERGY FOR EACH ONE
OF YOU AND ALL OUR FELLOW BEINGS.**
