## HAPPY HOLIDAYS

It has been another busy and challenging year at Woza Moya as we continued working towards our vision of improving community health, sustainable livelihoods, youth development and early childhood development. The team worked well this year, some of them in new positions, and were well supported along the way, acquiring new skills, knowledge and growing self-confidence and maturing. To wrap up 2022, the entire Woza Moya team came together for our **Annual Reflections**. The establishment of homestead gardens is a highlight for the year, not forgetting our new Art Centre, ECD, PowerGirls & Good Guys Club, Crafts, self-help groups for women, skills development for our youth and Community Health Care. Woza Moya would like to thank everyone who supported us in 2022, helping us reach 4853 beneficiaries in the Ufafa Valley community. We are looking forward for another successful year in 2023. ## THE ART CENTRE ANNUAL FESTIVAL

This month we invited all our beneficiaries from the afterschool programme, Good Guys Club, PowerGirls, children living with AIDS, Crafters and youth to what we call 'the Art Centre Annual Festival'. It was an opportunity for all members to reflect on their journey since getting involved at the art centre. They shared their successes and challenges during 2022 as well as their plans for the upcoming 2023. Woza Moya believes that group or team dynamics are critical for organisational success because without positive team dynamics, our organisation is unlikely to achieve its objectives.

## ECD CHRISTMAS

The holidays are here again! The Christmas season allows us to spend time with friends, family and loved ones while making new memories. Woza Moya held our annual Christmas party for 60 ECD children, who were very happy to receive gifts from Hillside Sai Centre in Durban.

## DGMT FELLOWSHIP

We are extremely proud of our young staff who completed their **DGMT** Fellowship training for Organisational Innovation. This is an important milestone in the Woza Moya journey - to see young staff who are creating positive change. Young people in the Ufafa Valley face many difficult issues such as gender based violence, teenage pregnancy and unemployment. Congratulations Hlengiwe and Sinethemba!

## 16 DAYS OF SPORTING ACTIVITIES

This year we hosted a sports tournament at Chibini sports field. Nine soccer and two netball teams joined the tournament. Despite the poor weather, the youth had a great time. Eleven Tigers soccer team and Woza Moya netball team were the winners on the day.

## ALSO IN DECEMBER

- Good Guys Club celebrated birthdays for those born in June-December.
- PowerGirls second outing to Nyala Pans River Camp and seven girls graduated from the programme.

THE **WOZA MOYA TEAM** WISHES YOU ALL A HOLIDAY  
FILLED WITH HAPPINESS, PEACE AND GOOD HEALTH!
