SEPTEMBER AT WOZA MOYA

Every September Woza Moya welcomes a dear and special old FRIEND, Catherine Anderson, who escorts a group of her American FRIENDS on a 'Soul Safari in South Africa' creativepilgrimage.com/soulsafari. Our team and community love hosting these beautiful FRIENDS who were taken deep into the community to see the Woza Moya Crafters in their homes. Crafter Phume Dlamini pointed out a large rondavel (traditional round hut) that was built entirely from the monies received from making the legendary Ufafa Valley Sock Monkeys! At Crafter Thobisile Mbanjwa's home, we heard her story of putting 3 children through school from the proceeds of this craft work. wozamoya.org.za/wozamoyacrafts

Local FRIEND, Heather Downey, opened her heart and home in Mount Edgecombe, to host a FRIEND-raising tea party, where Founder-Director, Sue Hedden, shared her 20 year Woza Moya story. These are not Fund-raising events per-se, but rather spaces in homes, a coffee shop, church, school, club house, business, any place where Sue can tell the Woza Moya story as a part of our 20 Year Celebrations. We believe that it is all in the story telling, the connections, and friendships, old and new, wherein our future lies. Please contact Sue sue@wozamoya.org.za if you are willing and able to host a 'Tea-Party'. After KwaZulu-Natal, Sue plans to travel to Gauteng for the last 10 days of NOV and early DEC.
