OCTOBER UPDATE

October saw Woza Moya running the first Computer Training Course for 15 local unemployed Youth. Woza Moya Youth leader, Sbonelo Ndlovu, and IT Consultant, put together an excellent 3 month course covering: Introduction to PCs, Word, Excel, Access, and PowerPoint. These 15 students attend x3 formal 2-hour sessions per week, on Mondays, Thursdays, and Saturdays. In between these classes they are free to practice in the Computer Centre any time from 9am to 4pm on weekdays, during this 3 month period. These students will receive a Certificate from Woza Moya and update their CVs, putting them ahead of their peers in entering the job market.

Woza Moya is working towards becoming an accredited MICT Service Provider. However, this is a lengthy and costly process. In the interim the Woza Moya Youth Leader came up with this great idea to package a more affordable 3-month course, which covers all the same elements of the accredited course.

HELLA HELLA WORKSHOPS

Woza Moya Child & Youth Care Workers, Sine Ndlovu & Thembi Chiliza, were invited to lead workshops for 60 young school girls, at the nearby Hella Hella camp GLOW, arranged by Peace Corps Volunteers (PCV). Focussing on self-esteem and healthy relationships, Sine and Thembi used interactive fun methods to convey their messages. Feedback from Ciara Clark, PCV, was that Sine and Thembi were loved by the girls, who voted their workshops as being their favourite!

A VISITOR FROM BELGIUM

In October Woza Moya was gifted with a special volunteer, Alice Loo, Kindergarten teacher from Belgium. Alice worked side by side with the Woza Moya ECD Practitioners enriching them and the children with new ideas and insights. The monthly ECD Forum was co-hosted by Woza Moya ECD Consultant, Lynn Stefano and Alice Loo, focussing on Nutrition. Practitioners have learnt about good nutrition in their NQF 4 training and through C- IMCI trainings with Department of Health. They revised key information, by making plates of healthy snacks and creating a poster using drawings and pictures from magazines to put on their crèche walls to show to guardians. Interactive, creative activities are a great way to learn. Everyone then sat down to a delicious lunch of fresh veg, fruit, peanut butter sandwiches and popcorn!
